Remarks

Tranquil third floor views of the St. Lucie Inlet and Jupiter Island preserve provide the perfect setting for relaxed living. The open concept kitchen with Viking appliances is fantastic for entertaining and everyday enjoyment. With crown molding throughout and three beautifully appointed en-suite bedrooms, all with walk-in closets, this is the ultimate in condo living. Balconies provide opportunities for watching the boats go by and spectacular sunsets. A storage unit and two assigned parking spaces are located in the enclosed under-building garage. Enjoy a stroll along the seawall walkway or take in the view from one of the inlet park benches.
